

Cali

An aerial photograph of a coastal resort. In the foreground, a cluster of white, modern-style buildings with flat roofs is built into a rocky, brownish hillside. A long, curved, turquoise-colored swimming pool or lagoon runs along the base of the buildings. To the left, the pool meets a small beach area with several blue and white umbrellas. The resort is situated on a peninsula or near a bay, with a deep blue sea to the left. In the background, there are more hills and a small town or village built on a hillside. The sky is clear and blue.
